Forecast for Wednesday 18 Aug 2021

Weather: Cloudy start but cloud breaking up to allow some sunny spells more especially in the early afternoon. Later in the afternoon and in the evening thicker cloud and light rain will extend from the north. Confidence in the timing of this is low.

Chance of cloud free mountain/hill tops above 800m: 30% at first rising to 80% early afternoon then falling sharply to 20% in the evening.

Visibility: (Below the cloud) Mainly good by day but becoming poor in the drizzly rain in the evening. Cloud broken above 750-900m becoming patchy by early afternoon, then more widespread cloud in the evening with bases falling 600-800m.
